Instructions

In the following question, out of the given alternatives, select the alternative which will improve the underlined part of the sentence. In case no improvement is needed, select "No improvement."

Question 1

The stilted logical demonstration is always foreign to the matter, and is generally soon forgotten, without weakening our conviction.

- A is always foreigner to
- B was always foreigner to
- C were always foreign to
- D No error

Answer: D

Explanation:

There is no error in the given sentence. Hence, option D is the correct answer.

Question 2

As truth is the relation of a judgment to it's ground of knowledge, it is always a problem how the person judging can believe that he has such a ground of knowledge and yet not have it.

- A on it's ground
- B to its ground
- C upon it's ground
- D No error

Answer: B

Explanation:

Here, we should use 'its' instead of 'it's' as here it is being used as possessive pronoun. Hence, option B is the correct answer.

Question 3

The operation prescribed by the concepts of the numbers have not been carried out in pure intuition or perception, in counting, but some other operation instead of it.

- A has not been
- B is not being
- C lived
- D No error

Answer: A

Explanation:

We should use a verb according to the singular subject given in the sentence. Hence, "has not been" is a correct fit. Therefore, option A is the correct answer.

SSC GD Free Mock Test

Instructions

In the following question, out of the given alternatives, select the alternative which will improve the underlined part of the sentence. In case no improvement is needed, select "No improvement."

Question 4

The ethical system of Stoicism, regarded as a whole, is, in fact, a very valuable and estimable attempt to use the great prerogative of man, reason, for an important and salutary end.

- A estimate attempt to use
- B estimated attempt to use
- C estimating attempt to use

D No error

Answer: D

Explanation:

There is no error in the given sentence. Hence, option D is the correct answer.

EndGroup:

Question 5

The many-sided view of life as a whole which man, as distinguished from the lower animals, possess through reason, may be compared to a geometrical, colourless, abstract, reduced plan of his actual life.

- A possessed through
- B possesses through
- C possesses upon

D No error

Answer: B

Explanation:

In the given context, “possesses through” is deemed fit as it is being used for a singular object. Hence, option B is the correct answer.

Question 6

The agreement which all the sides and parts of the world has with each other, just because they belong to a whole, must also be found in this abstract copy of it.

- A the world having with each other
- B the world is in with each other
- C the world have with each other
- D No error

Answer: C

Explanation:

We should use a verb according to plural subject given in the sentence. Hence, "the world have with each other" is a correct fit. Therefore, option C is the correct answer.
